Language: English Brand New Book ***** Print on Demand *****.Excerpt from Pilot Fortune On the lip s edge of the down, Here where the bent grass turns to brown In the dry sea-wind, and the heath Crawls to the cliff s side, and looks down. Stephen, why do they ever come back? says the girl, with a half sigh of longing, clasping her hands on the railing of the sea-wall, as she stands and watches the fishing-boats come in. They look so free, she says. See how they sweep in over that blue strip of sea between the islands, - one by one, and now with a flutter of great white wings all together. They are like the sea gulls: they can fly where they will, away from this island, away to the other side of the world. I wonder why they should come back? The gulls come back, Milly. Yes, they are gulls, she retorts, a smile at the small witticism chasing the slight cloud from her face, as a sunbeam chases and overtakes and lights up a sweeping shadow on the gusty water she is watching. It is she whom he is watching: and somehow the cloud has gotten into his eyes, that flitted from her face.
