Lulu.com, United States, 2016. Paperback. Book Condition: New. 280 x 216 mm. Language: N/A. Brand New Book ***** Print on Demand *****.The histories of Thomas Henry Hansen and Sarah Ann Rowbury are not just the histories of our family, but they are the history of America. Their histories include family who fought in the Revolutionary War, the Civil War, and in World War II. They immigrated from many parts of the world and helped to shape this country, but more importantly, they shaped their posterity. There is much that I have learned from this journey. Included are birth/death certificates and censuses, linked to their locations on the web throughout. While these records may not be 100 correct, they are all we have to go by at this time for references. Thank you for taking this journey with me, I feel good about those that I have found, and I thank them all for their guidance during this journey.
