Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This Guide is intended for writers that develop specifications for the Federal Highway Administration s (FHWA) Federal Lands Highway Program (FLH). This Guide is to promote and facilitate the writing of specifications that conform to the five Cs of specification writing - clear, concise, complete, correct, and consistent. Adherence to the guidance provided in these chapters and Chapter 9.4.11 of the FLH s Project Development and Design Manual will help writers develop well-written specifications for use with the Standard Specification for Construction of Road and Bridges on Federal Highway Projects (FP). The FP in and of itself is a good example of proper style and format. This document contains guidelines to help writers develop specifications for the Federal Highway Administration s Federal Lands Highway program. Topics addressed include: Specification writing style; Organization and format, Proper terminology and phrasing; Capitalization and abbreviation; and Punctuation and grammar rules.
