Career Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The Secret Language of Spirit is the culmination of award-winning author and psychic medium William Stillman's wisdom and insights in a fascinating exploration of the sometimes blatant, sometimes hidden spiritual symbolism in our everyday lives. With accessible language, easy-to-understand explanations, and fascinating anecdotes, Stillman introduces to the open-minded layperson an alternate lens through which to view daily interactions with Spirit. Topics unique to this compelling new work include: A thorough explanation of Heaven's inner workings. Recognizing Spirit-speak--the silent but ever-present signs and signals that surround us. Decoding symbolic patterns found in nature, dreams, our names, and the manifestation of threes. Associative links in memory that correlate spiritually to music and scents. Stillman's most powerful observations may be found in the chapter that correlates spiritual sensitivity with persons with autism, mental illness, and dementia--individuals whose gibberish is often dismissed as pathology but may actually provide glimpses into another realm. The Secret Language of Spirit concludes with an empowering chapter that addresses the concepts of abundance and achieving authenticity with Love's Foot Rule--12 fundamental tenets. Stillman also introduces the principles of passion, pursuit, and prosperity, and how to manifest them in concert with Spirit.
