A CRITICAL EVALUATION OF MARXIST IR THEORIES

GRIN Verlag GmbH, United States, 2014. Paperback. Book Condition: New. 210 x 148 mm. Language: English Brand New Book. Essay from the year 2014 in the subject Politics - International Politics - General and Theories, grade: 1,2, University of Leicester, language: English, abstract: Marxist International Relations (IR) theory is fundamental to the discipline. Its distinct approaches are neither strictly positivist, nor post-positivist but derive insights from both methodologies. Common elements in the Marxist tradition are imperialism, exploitation, capital accumulation and...

Reviews

This type of pdf is every little thing and helped me searching forward and more. It can be written in easy words and phrases and never hard to understand. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about should you request me).
-- **Fern Bailey**

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.
