Sasha Farm: A Coloring Book of Rescued Farm Animals (Paperback)

By E.J. Miranda

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This coloring book tells the story of some of the farm animals rescued by SASHA Farm Animal Sanctuary. Located in Manchester, Michigan, SASHA Farm is the Midwest's largest farm animal sanctuary. At our shelter, not only do we provide food and water, veterinary care and a roof over their heads, we also give the animal residents affection, social interaction with others of their own species, and a sense of security. The sanctuary currently shelters over 300 animals, each with its own story to tell. Some were dumped and discarded, some left to die. They have come from unhappy circumstances, often mistreated or neglected, but now have a safe, permanent home at SASHA Farm. SASHA Farm became a non-profit 501(c)(3) organization in 2001. Donations made to SASHA Farm are tax deductible, and all donations are used to ensure good quality care for our animals, both now and into the future. Thank you for your purchase of this coloring book. We hope you enjoy getting to meet some of the residents of SASHA Farm through coloring them. This book contains 21 pictures...
