

## 100 Places in Spain Every Woman Should Go (Paperback)

Filesize: 2.37 MB

### **Reviews**

*This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.*

Travelers Tales, Incorporated, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Patricia Harris began visiting Spain shortly after the death of dictator Francisco Franco and has witnessed the country s renaissance in art, culture, and cuisine as it rejoined Europe. Drawing on three decades of intimate acquaintance with the country, she leads readers along twisting mountain roads, down to the docks of fishing villages, into the shoe outlets of Elche, and out to the muddy saffron fields of La Mancha. She takes you down city streets of Barcelona, Madrid, Sevilla, and San Sebastian to dark flamenco clubs, sybaritic public baths, endlessly inventive tapas bars, design shops full of mantillas and fans, and into a brightly tiled chocolateria for hot chocolate and churros at 3 a.m. She explores the art from Velazquez to Picasso, architecture from the phantasmagorical vision of Antoni Gaudi s Sagrada Familia to the cool suspension spans of Santiago Calatrava. She tells the tales of some formidable Spanish women, from a fourth-century B.C. goddess to a queen who wrested Spain from the Moors, to the twenty-first-century winemakers who elevated Spain s Toro and Rueda onto the world stage. Literary, sexy, whimsical, and even spiritual, 100 Places in Spain Every Woman Should Go is for the smart and curious traveler who wants to see Spain, her way.
