Hodder Stoughton General Division, United Kingdom, 2014. Mixed media product. Condition: New. Bilingual. Language: English . Brand New Book. Do you want to be able to express yourself in Italian with confidence and fluency? Insider s Italian offers a local perspective on Italian culture, opinions and language use so that you can speak confidently on today s most important and relevant topics. This intermediate Italian conversation course, devised for all intermediate-level learners or those following on from Total or Perfect Italian, will advance your overall fluency, listening comprehension and conversation skills, expand your vocabulary and improve your grammar. Through authentic, lively conversations around engaging topics, and the unique Michel Thomas Method for learning, this course focuses on the colloquial language and conversation strategies used by native Italian speakers so that you can fit in and communicate more naturally. Insider s Italian includes: * Twenty authentic conversations around a comprehensive range of subjects that reflect contemporary Italian culture * Language plus: conversation strategies, pronunciation and intonation to help learners express themselves naturally * Listening and speaking practice to help learners progress to the next level * Cultural insights into the unspoken rules of the language This course includes a 100+ page book, MP3 audio CD-ROM, and interactive review and practice on CD-ROM. Why is the Michel Thomas...
