

Creationism and the Conflict Over Evolution (Paperback)

By Tatha Wiley

Wipf Stock Publishers, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: How do our current notions of the workings of the universe fit with our deepest convictions about its meaning and value? From religion, we grasp the world as created, given, gift. From science, we apprehend it as evolving, in process, changing. How do we bring these apprehensions together? Or can we? Is our impulse to find the two complementary: creation and evolution? Or is it to find them contradictory: creation or evolution? The way in which we answer these questions carries personal and intellectual consequences. It will constitute the first piece in a worldview within which we order our religious beliefs and scientific judgments. --from the Preface Endorsements: The scientific failures of Intelligent Design and other forms of creationism have been detailed in dozens of books, scores of articles, and in a handful of spectacular court cases. What Tatha Wiley adds to this mix is a provocative and highly readable analysis of the theological failings of today's creationist movement. It will surprise those who assume that creationism is rooted in Christian tradition, and it will challenge those who believe...
