Brand New Book ***** Print on Demand *****.A careful what you wish for and wish well, Jolene. A Jolene Sullivan grew up listening to these words of wisdom for most of her life. Her beloved grandmother always reminded her to take her gift seriously. After making an innocent wish as a child, the bond between Jolene and her grandmother became stronger than ever. Jolene grew up happy and loved and as far as she was concerned, she lived a relatively normal life. She met and married Brian, the man of her dreams. He was larger than life. He was full of confidence, strong-willed and hard-headed. He grew up in the same small town as Jolene and happily married her, despite the wishes of his family. He felt confident that he had convinced Jolene to live her life without all the silly magic spells and rituals that her crazy grandmother had taught her. Jolene's life was good, until the day Brian discovers her secret. Brian's reaction to the discovery leaves Jolene full of grief and blind with heartache. She makes the tiniest, brief wish in a fit of anger that changes her life as she knows it. Every day that follows, reminds Jolene to be careful what she wishes for, and wish well, once again.
