

The Gold Exchange: An Alternative to Living in a Quantitative Easing World

By Dr Jim McGuire

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Because of paternal encouragement, John Galtan is compelled to find a way by which people can create a store of wealth during a time of near zero interest rates and dwindling monetary value. The Gold Exchange is about money and wealth. It is about the conception, development, and completion of a unique financial enterprise. John Galtan knows many of the dirty little secrets about money and banking and is not bashful about exposing them. His mission is to devise a way whereby the average person can magnify his dollars and build his wealth. By stimulating their attention to finances, John carefully lays out the necessary principles for understanding how to build and protect a family s store of earnings. John does not harbor the illusion that the country he loves so much is going to escape financial hardship. In fact, he believes the national financial condition is dangerously uncertain. He lays bare, for the reader, the history and operation of The Federal Reserve System. Furthermore, nations around the world are gathering to topple the American Dollar for the...
