These seeds contain the exact kind of life that is stored on the inside of them; and will reproduce descendants after their own kind. The life or the descendant on the inside of a Tomato seed is a tomato The life or descendant on the inside of a carrot seed is a carrot The life or descendant on the inside of a watermelon seed is a watermelon The life or descendant on the inside of God s seed, is a child of the Spirit The life on the inside of the child of the Spirit is love, joy, peace, patience, faith, goodness, and self control God s Word = the God kind of seed Your heart = the God kind of ground A human being s SEED can only reproduce a child (perishable seed) God SEED can only reproduce a child of the Spirit (imperishable seed) To as many as received Him, to them He gave the right to become children of God; who were born not of blood, nor of the will of the flesh, nor of the will of man, but of God. For that which is born of the flesh is flesh and that which is born of the spirit is spirit. For God so loved the world that He gave his only begotten Son that whosoever believeth in Him should not perish but have everlasting life. (John 3:5-16).
