Do you like stories with action? Do you like fairytales? Do you like comedy? Whatever your taste might be, Dontrel s Tales has the story for you. Most of them take place in Trelland, a fictional country. Five islands make up the country, including an archipelago in the northwest. Clover Island has an area of 4,399 square miles. Axle Island has an area of 4,300 square miles. Lance, the largest island, has an area of 4,409 square miles. On Lance, the Supreme Mountain has an elevation of 2,227 feet, the highest point on Trelland. Falcon, the fourth island, has an area of 4,200 square miles. Saber, a narrow island, has an area of 3,311 square miles. The Low Islands and the High Islands, traditionally a part of Saber, form an archipelago near the northern shore of the island. Consisting of 12 islands, they differ by climatic region. The High Islands in the south have a tropical climate, and the Low Islands in the north have a moderate climate with light...
