This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.

OBJECTS A POETRY COLLECTION

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 104 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. I wrote a poem once in fifth grade that had about a million ands in it. Really it was just a few words strung together that honestly made no sense. Little did I know then that my poetry career had been started so inauspiciously back then, but I look back on it with pride. Objects is my first published collection of poetry, and while none of the poems youll find here was written in fifth grade, they still represent a wide range of years and emotions. It was a labor of love to compile my poems here, as well as eight new poems I wrote specifically for the collection. This item ships from La Vergne, TN. Paperback.
