

The Development of the Atomic Theory (Classic Reprint) (Paperback)

By Andrew Norman Meldrum

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Development of the Atomic Theory It is now widely recognised that a science cannot be fully understood without a study of its history. At the same time research into the history of the sciences is carried on under serious disadvantages. There is no special periodical for the publication of original work in this direction, at least none in Britain. It is often difficult to obtain the papers that are published, and difficult to obtain information regarding them. Even if a paper on the history of chemistry, for instance, is noticed in the Abstracts of the Chemical Society, one does not find that the space taken up by the abstract is always directly proportional to the importance of the paper.
