Hearts Unleashed: A Second Acts Novel (Paperback)

By Julia Dumont

BroadLit, Incorporated, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Hearts Unleashed is Julia Dumont s third novel in the Second Acts contemporary romance series. Cynthia Amas, matchmaking guru to everyone but herself, has just opened the new offices of her highly personalized boutique dating service in Hollywood, California. One of her new clients----a gorgeous, well-connected, uber-rich widow----comes in search of a new lease on life in the form of no less than a social and sexual reawakening. The story moves across the endlessly entertaining landscape of Los Angeles----from an astonishingly erotic art exhibit to a decidedly intoxicating voyage with a wildly attractive crew of love and lust seekers via a luxury yacht up the Southern California coast. Colorful supporting characters in this sensuous and deliciously convoluted farce include Cynthia s best friend Lolita and her ever-mystifying pack of talented dogs; Paloma, Cynthia s beautiful young assistant; a passionate new import from Dublin named Seamus O Brien; baddest-of-bad-boy ex-lovers Max; and superstar screen idol Jack Stone.all seemingly hell-bent on complicating the matters of the heart beyond belief. Meanwhile, Cynthia s lovably eccentric mother has run off to Italy with one of the biggest philanderers in Hollywood....
