

## Real Work: Interviews and Talks 1964-1979

By Gary Snyder

New Directions Publishing Corporation, United States, 1980. Paperback. Book Condition: New. 201 x 130 mm. Language: English . Brand New Book. The Real Work is the second volume of Gary Snyder's prose to be published by New Directions. Where his earlier *Earth House Hold* (1969) heralded the tribalism of the coming revolution, the interviews in *The Real Work* focus on the living out of that process in a particular place and time: the Sierra Nevada foothills of Northern California in the 1970s. The talks and interviews collected here range over fifteen years (1964-79) and encompass styles as different as those of the Berkeley *Barb* and *The New York Quarterly*. A poetics of process characterizes these exchanges, but in the words of editor Mclean, their chief attraction is good, plain talk with a man who has a lively and very subtle mind and a wide range of experience and knowledge.

*This book might be worth a read, and superior to other. Of course, it really is engaging, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*
