Editions Universitaires Europeennes. Paperback. Condition: New. 184 pages. Dimensions: 8.7in. x 5.9in. x 0.4in. Deux grands systemes de valeurs sous-tendent les pratiques des professionnels de la formation. L'egalite, valeur centrale de ces systemes, est abstraite et porteuse de significations contradictoires en rapport avec les representations des inegalites sociales et des inegalites en formation. Ces systemes de valeurs se manifestent dans les attitudes et les representations et permettent de justifier les pratiques professionnelles au quotidien. Profondement ancrés, ces systemes de valeurs presentent une stabilite certaine. Ils guident les pratiques et participent a la transformation et a la reproduction des inegalites sociales. Les recherches portant sur ce sujet constituent l'objet central de cet ouvrage. Celui-ci retrace une trajectoire de recherche amorcée dans les banlieues. Des travaux en cours, la recherche s'est complexifiée, affinée, précisée au fil des rencontres et des résultats. Cette note de synthèse donne un aperçu des différentes étapes qui ont structuré ce cheminement partant de l'analyse de pratiques de formation in situ pour parvenir aux pratiques de validation des acquis sans formation. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
