### **Reviews**

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Creativity is the result of a thinking process that anyone can learn and apply to the challenges they face everyday at work and at home. Based on insights from cognitive psychology, You CAN Think Creatively: The Guide to Everyday Creative Thinking explains the Everyday Creative Thinking Process and how using it can open possibilities you ve never considered. Is Everyday Creative Thinking the same as out-of-the-box thinking? Yes. Can Everyday Creative Thinking show me how to work smarter and improve my productivity? Yes. Will Everyday Creative Thinking help me make decisions, solve problems, and reach my goals? Yes. How? By identifying the creative thinking skills you ve always had but never associated with creativity. By explaining how to apply these skills in an easy-to-understand process. And by helping you build a foundation for creative thinking you can use again and again. You CAN Think Creatively: The Guide to Everyday Creative Thinking is designed as a workbook with exercises that will enhance learning and deepen understanding. The author of You CAN Think Creatively: The Guide to Everyday Creative Thinking is Debra J. Salkind, Ph.D. She is an educator experienced in classroom presentation, production studio instruction, computer/web-based instructional design, and adult education. Dr. Salkind has worked in academia, the private sector, and the federal government.
