The New Cambridge Curriculum in Economics: And Associated Branches of Political Science (Classic Reprint) (Paperback)

By Alfred Marshall

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The New Cambridge Curriculum in Economics: And Associated Branches of Political Science Obtain University on the other hand, which long held the undisputed leadership in Economics, has suffered in recent years from the lack of adequate provision for the study of that subject at the Universities, and from the consequent scarcity of students who have been able to give it that undivided attention which is demanded by its growing breadth and difficulty. Accordingly they propose that the University should offer opportunities for study which, they believe, would be welcomed by many men irrespectively of the career for which they may be preparing. But in particular the Syndicate have had in view two classes of students; firstly those who are proposing to devote their lives to the professional study of Economics, and secondly those who are looking forward to a career in the higher branches of business, or in public life. That it is a proper function of the University to provide for the former class will hardly be disputed; and the Syndicate think that it ought also to provide for the...
