Excerpt from Welfare as an Economic Quantity This series of books owes its existence to the generosity of Messrs. Hart, Schaffner Marx, of Chicago, who have shown a special interest in trying to draw the attention of American youth to the study of economic and commercial subjects. For this purpose they have delegated to the undersigned committee the task of selecting or approving of topics, making announcements, and awarding prizes annually for those who wish to compete. For the year ending June 1, 1913, there were offered: -In Class A, which included any American without restriction, a first prize of 1000, and a second prize of 500. In Class B, which included any who were at the time undergraduates of an American college, a first prize of 300, and a second prize of 200. Any essay submitted in Class B, if deemed of sufficient merit, could receive a prize in Class A. The present volume, submitted in Class A, was awarded the second prize in that class. ### Reviews

*The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).*
