Reviews

Extremely helpful to all category of individuals. I have got go through and that i am confident that i will likely to read through once again again later on. Once you begin to read the book, it is extremely difficult to leave it before concluding.

University of Notre Dame Press. Paperback. Condition: New. 144 pages. *Times Beach* is a personal, cultural, and environmental history of the Mississippi watershed, a poetic meditation on how the river is ceaselessly shaped by, and shaping, the lives around it. John Shoptaw guides us from the Mississippi headwaters in Lake Itasca to its delta in the Gulf of Mexico, from its aboriginal mounds to its present-day dams and levees, weaving together episodes in the life of the river the New Madrid earthquakes of 1811 and 1812, the great floods of 1927 and 2010, the EPAs eradication of the dioxin-laced town of Times Beach with his own memories of growing up in the part of southeast Missouri known as the Bootheel. A pivotal place in *Times Beach* is Shoptaw's home county of New Madrid, a hardwood floodplain of the Lower Mississippi that, over time, has been drained, logged, and farmed. Still muggy and earthquake prone, *Swampeat Misery* is the poet's autobiographical landscape where he picked cotton, was baptized in a drainage ditch, and worked in the lumber mill. It is also the place his education let him escape, delivering him to a life far away from the swampland to which these poems return. Through the overarching metaphor of correction, Shoptaw associates this education teaching his dialectal tongue how to talk and write correctly with the straightening and regulating of the river by the Army Corps of Engineers. While informed by his education, Shoptaw's poems regularly erode and evolve their traditional forms. In *Blues Haiku*, he crosses the syllabic haiku with the accentual blues tercet; in *Itasca*, he parodies Longfellow's learned *Hiawatha*; in *Shuffle*, he delivers an outsized variation on the sestina; and, in *Heebie Jeebies*, he creates a jazzed rendition of a Miltonic masque. Delightful in its formal invention and informed by an eco-poetic urgency,...
