HarperCollins Publishers, United Kingdom, 2003. Paperback. Condition: New. Language: N/A. Brand New Book. A swashbuckling thriller, part two of THE HIGH SEAS ADVENTURES, set on the oceans of the eighteenth century - drama, horror, adventure. Steer clear of that ship, warns the mysterious gentleman who shares the coach to Dover with John Spencer and his father. Death she'll bring you. It's the way of a ship that was christened in blood. This is an ominous introduction to the schooner John is about to be entrusted with for a voyage north to London. But he's too charmed by the pretty Dragon to heed the advice. The ship looks clever and quick, and John, now sixteen, can't wait to sail her. She was a smugglers vessel once, but that was in the past. Now she's the Spencers Dragon, and she will proudly carry wool for honest trade. But soon John will be forced to consider the gentleman's warning. Could a ship that's seen a smuggling run truly be spoiled for anything else? And what does John really know about his bonny crew of four? Alive with breathtaking action and unforgettable characters, this companion to The Wreckers is masterfully entertaining - a rousing nautical adventure full of danger and surprise.
