Reviews

These sorts of book is the greatest book offered. This can be for all those who statte that there had not been a really worth reading. I am just quickly could get a pleasure of reading a written ebook.

Westminster, Maryland, U.S.A.: Bantam Dell Pub Group, 1999. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. 1999. Hardcover. First Editon. A stand alone mystery by Laurie King. SIGNED AND DATED '18. FEB. 99', the month and year of publication on the title page. Anne Waverly is a respected university professor. Few know that, eighteen years ago, her own unwitting act cost Anne her husband and seven-year-old daughter. Fewer still know that her past and her academic specialty--alternative religious movements--have made her a brilliant FBI operative. Four times she has infiltrated suspect communities, escaping her own memories of loss and carnage to find a measure of atonement. Now, as she begins to savor life once more, she has no intention of taking another assignment. Until, that is, she is given an envelope containing details of the Change group and its leaders, whose Arizona site houses over one hundred children and a school admired by even the local authorities. Outsiders have found these children, many of them rescued from abuse, healthy and content--but far too well-behaved. A BEAUTIFUL BRAND NEW, UNREAD copy in like Dust Jacket. Language: eng Language: eng 0.0. Signed by Author(s).
