

## Destiny in Abundance: The Kaleidoscope Project

Filesize: 4.53 MB

### **Reviews**

*The very best pdf i possibly study. It generally will not expense excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).*

*(Prof. Owen Sporer)*

## DESTINY IN ABUNDANCE: THE KALEIDOSCOPE PROJECT

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 48 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. In Lies We Trust, reads the banner. This is most often true about the lies we tell ourselves, or are suggested to us as being true for political objectives. The notion of universal entropy, projected through the Big-Bang theory, and its derivative, the Hydrogen Fusion Sun, are glaring examples. The Hydrogen-Sun theory is so finely spun that humanity has tied itself into knots in efforts to replicate the solar hydrogen fusion for power production on Earth. It is said that if the Sun can do it, so can we. The problem is that the Sun is not so powered, but is electrically powered with plasma fusion occurring on its surface. Consequently, decades of large-scale scientific efforts have been wasted by clinging to a myth in science that may have been intentionally created for this effect, which keeps the door closed to the energy abundance in plasma in space. Similar myths have similar effects in the social domain. We may not break free, unless we do so on both fronts. The frame of the story presented here, is that of a fictional, international peace conference organized by the youth of the world, convened in Russia in a city on the Black Sea. The story itself is one of the scenes of the Kaleidoscope of human superlatives that keeps on turning. In the Kaleidoscope Project, the selected stories are gems of numerous types. The one presented here is from Book 2, The Ice Age Challenge, of my epic series of novels The Lodging for the Rose. The Kaleidoscope stories are presented separately, because their specific focus has become increasingly important in the world, for our future. The Kaleidoscope Project is a subsequent..
