Caine Aaron, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Eddie is a life coach. He s testing a coaching technique on himself that he learned at a convention. It s diary writing. He sets out to write one for thirty days. Just as he does, the love of his life, the adulterous, Nora, leaves him to return to her family. She s the jelly to his peanut butter, so yeah, it hurts. What kind of life coach would he be if he can t follow his own advice and move on? Suppose, that would be easy except he witnesses something in the woods that changes his world forever. Uncertain if it is real or a dream, he sets out to make things right. The cops, a sex-fiend client, and a medium are standing in the way of him fixing a wrong. Sometimes you re the victim and other times.
