

Little Frankie at His Plays (Paperback)

By Madeline Leslie

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I have already told you that Frankie lived in a pretty cottage, separated from the road by a green lawn, which lay in front of it. On the other side of the street, the land was much lower, a little shining brook running through it, and sometimes, after a rain, there was quite a pond of water. In winter this was a pleasant place for Willie to skate. His mamma liked it, because she could watch him from the windows; Willie liked it, because when his hands were cold he could run home to warm himself; and Frankie liked it, because it made him laugh and clap his hands to see his brother bow and turn this way and that, run a few steps, and then make such pretty figures on the ice.
