Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When I left psychiatry five years ago to care for my children, I decided to write down the salient points from my years in practice. My hope was to capture the take-home lessons from my time in the trenches so I could share it with my kids as they grew older. This book reflects the rules of the human condition as I ve seen them. Take care and good reading.
