In a time of universal deceit, telling the truth is a revolutionary act George Orwell The above quotation by George Orwell has never been more appropriate with highly positioned military and scientific personnel seemingly on the brink of confessing all their sins to the wider public and finally whistle-blowing on the Above Top-Secret UFO and alien cover-ups which exist all over the world. There are numerous already published books that give voice to UFO secrecy; however The Third Explanation specifically details how aliens have interacted with early Hominins to genetically create Homo sapien sapiens - and why? The first historical explanation of our origins was creation by an all-encompassing God. The second was the Darwinian Theory of Natural Selection leading to speciation or species change. This book is very different: it records an amalgam of scientific evidence that shows there is a never before scientifically examined, THIRD remarkable explanation. In 1991 a US Gallup poll discovered that only nine percent of Americans believe in the scientific theory of evolution. A later 1996 survey by the National Science Foundation found that less than half of America s citizens believed that anatomically modern humans morphed out of an earlier or more primitive species. The Pew Research Centre in 2014 discovered that not only do they not believe in any form of natural selection, they do not believe in the Theory of Evolution at all. The Chairperson of the American Science Education Commission, John Wiester, recently said in an interview, Darwinism is a naturalistic philosophy only masquerading as science. Professor Keith Bennett of St Andrews University considers that environmental changes have, Little or no effect on changes in species and that major evolutionary changes...
