Punctum Books. Paperback. Book Condition: New. Paperback. 122 pages. Dimensions: 9.8in. x 7.8in. x 0.4in. With this special issue of *Speculations*, the editors wanted to challenge the contested term speculative realism, offering scholars who have some involvement with it a space to voice their opinions of the network of ideas commonly associated with the name. Whilst undoubtedly born under speculative realist auspices, *Speculations* has never tried to be the gospel of a dogmatic speculative realist church, but rather instead to cultivate the best theoretical lines sprouting from the resurgence, in the last few years, of those speculative and realist concerns attempting to break free from some of the most stringent constraints of critique. The contributions are divided in two sections, titled Reflections...
