Reviews

It is fantastic and great. This is for those who stutte there was not a worth looking at. Its been written in an exceptionally easy way which is only soon after i finished reading this ebook through which in fact changed me, change the way i really believe.
(Barry O'Reilly)

EYE OF SCOTA (PAPERBACK)

DSP Publications, United States, 2016. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book ***** Print on Demand *****.2nd Edition Dalriata: Book One In 845 a group of Gaels fleeing the Vikings stumbled through the mystic Eye of Scotia and found safety on a planet they named Dalriata. Seven centuries later, the arrival of the Criosdaidh religion changed everything. Fugitives stopped appearing, and the newly established Council of Priests used the energy of Slanach Stones to enforce their religious laws. But by 2500 the Stones power is dwindling. The High Priest is desperate--none of the warriors sent to find more Stones have returned. Cinaed MacAlpin, a young healer priest, is chosen to undertake another attempt. He hopes that new Stones will reduce the pressure to heal only those deemed worthy by the priests. But his task is not easy. Cinaed must travel to the land of Bunadh and find the Eye that is the source of the Stones. Once there he meets Tadeo Banderas, a spaceship captain exploring the newest Earth-like planet discovered by the Solar Exploration Fleet. Cinaed and Tadeo soon find out that the spark of energy between them may hold the key to Dalriata s future. First Edition published by Dreamspinner Press, 2010.
