Southern Illinois University Press, 2005. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: It has become almost trite to note how popular scholarship and interest in the American Civil War remains, yet despite the cascade of works on facets of the war both obscure and renowned, Gregory Urwin has brought together a group of essays that explores a still nearly untouched aspect of this conflict. *Black Flag Over Dixie* is a compilation of twelve essays on the topic of Civil War racial atrocities, and provides a ready source for future explorations of this subject. The book supplements its text with twenty photographs and illustrations. Urwin, a professor at Temple University and an award-winning author or editor of seven books on military history, has pulled together a fascinating examination of what he refers to as "the war's central cause and most convulsive issue." Urwin contends that the Civil War community's collective amnesia is an outgrowth of an intentional effort on the part of Southerners to ensure that their loss on the Civil War's battlefields could be redeemed in the aftermath. He notes that organizations such as the Sons of Confederate Veterans (SCV) and United Daughters of the Confederacy lobbied to ensure that a pro-Confederate history of the war was taught in Southern schools. In my years teaching military history at the United States Military Academy at West Point, I often was amazed at how successful that effort had been, as cadets from southern states almost uniformly identified simple "states' rights" as the seminal cause for the war, denying that slavery had any role. With *Black Flag Over Dixie*, Urwin seeks to open the path to not only a fuller understanding of the war, but also of our nation. His effort makes a good start, but...
