Reviews

This pdf will be worth buying. Better then never, though i am quite late in start reading this one. I am easily can get a enjoyment of reading through a published book.

(Paul Ankunding)

A GIANT COW-TIPPING BY SAVAGES: INSIDE THE TURBULENT WORLD OF MERGERS AND ACQUISITIONS

Palgrave Macmillan. Paperback / softback. Book Condition: new. BRAND NEW, A Giant Cow-Tipping by Savages: Inside the Turbulent World of Mergers and Acquisitions, John Weir Close, Modern mergers and acquisitions, or M&A as it's more commonly known, is a new phenomenon. The buying and selling, the breaking up and combining of companies-the essence of M&A-has been a part of commerce throughout history, but only in our era has M&A itself become a business. In 2007, it was a \$4.4 trillion global enterprise. And yet, it remains largely unexplored. Discrete stories have been pulled from the annals of M&A, both true and fictionalized, that have become touchstones for wealth and excess. Who can forget Gordon Gekko and his "Greed is Good" speech? But while there have been a few iconic characters and tales to emerge, no one has told the rich history of M&A, until now. John Weir Close provides a look into that world and the people who created it. "A Giant Cow-Tipping by Savages" reads like "Dallas" meets "Wall Street," told through an intriguing narrative that not only brings to light in gritty detail all of the back room drama of such powerful players as Carl Icahn, Joe Flom, Marty Lipton, and Bruce Wasserstein, but also reveals how the new generation, including activist whirlwind Bill Ackman and iconoclastic new Delaware judge Leo Strine, will dominate the next tsunamic, and imminent, M&A boom.
