Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Citizen, Jr. You will notice that the lessons in this book are grouped in pairs and that at the beginning of each of these groups there is a small picture. These pictures are different from the usual illustrations. They are for symbols, or guide signs, to mark the lesson groups and to remind you of the big, important thought that you work out there. If you would like to use these little symbol pictures to help you to make a notebook picture-record of your citizen progress and practice, your teacher can get them for you, printed separately, ready for you to use. It might also be gained by a good piece of work in the notebook record, or something special thought out or done. The other symbols you might earn by making a special note of something that you do to practice a lesson, or by your bringing to class some of the work suggested, or by memorizing the work that is assigned, etc. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic...
