Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. IN the process of collecting the folklore of West Africa, but chiefly that of the Gold Coast, I have found several tales which are evidently the West African variants of some of the stories collected in the Southern States by Mr. Joel Chandler Harris, and published under the title of Uncle Remus, and a comparison of the two sets may be of some interest to American readers, besides affording an example of the extent to which folklore is affected by change of environment.
