

## Straight Man Gay Three (Paperback)

By Danny Culpepper

Robertson Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.John Kaiser has some problems! As if falling through a stage floor three days before Christmas wasn't bad enough; his heart stopped on the emergency room table as his boyfriend Brian Mallory looked on, unable to help him. Miraculously, he was revived thanks to the efforts of a heroic doctor, but only after he'd been without oxygen for nearly three minutes. Now, he's suffering from brain damage, and its aftereffects have ended his theatrical career. John may be able to return to the stage after extensive physical therapy, but only if he can tolerate the exercises and his therapist--and right now, he hates both. He also can't control his temper or his mood swings, so his relationship with Brian and his friends is being put to the test. When John's producer tells him that he's been dumped from his television series, the news devastates him--and Brian's unsympathetic support sends him into a furious rage. One so dramatic that he decides to attend a New Year's Eve party on his own--with catastrophic consequences for a large wine...

### Reviews

*This book might be worthy of a go through, and a lot better than other. It had been written really properly and helpful. You may like just how the author wrote this publication.*

*The very best publication I have ever read. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*
