

## Social Studies at the Center: Integrating Kids, Content, and Literacy

By Tarry Lindquist, Walter Parker, Douglas Selwyn

Heinemann USA, United States, 2000. Paperback. Book Condition: New. 239 x 188 mm. Language: English . Brand New Book. For too many years in too many classrooms, social studies has been something that is done to students - with no real bridge between students experiences and the pursuit of social values and moral citizenship. With the publication of *Social Studies at the Center*, Tarry Lindquist and Douglas Selwyn change all that. For the first time, students actually do social studies. They read, write, act, sing, dance, and draw social studies. They compare, organize, investigate, interview, and analyze facts. Most of all, they come to love social studies because in the process of studying content, they are learning more about themselves. *Social Studies at the Center* presents a view of teaching and learning that connects what students learn in social studies with how they learn it and what they feel about it. With an emphasis on meaning and understanding over coverage of facts, the authors demonstrate how to customize learning to accommodate students interests. They support an integrated approach to social studies teaching and place the subject at the center of the entire school curriculum. In addition to providing a large...
