Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Myths, Stereotypes and Realities of African-American Women: A Personal Reflection In 1851, exactly 140 years ago at a woman s rights conference during the Women s Suffrage movement, a freed african-american slave woman named Sojourner Truth, at a woman s rights conference asked the disturbing question, Ain t I a woman? She was the lone african-american woman, the only voice for women like herself at the meeting. She was not one of the invited speakers; she came forth on her own volition. Her assertion called for the recognition of dignity, respect and equal justice for all women. But Sojourner s assertion also revealed the contradictory, unequal status and treatment among White women, African American women, and african-american men.
