Reviews

*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

Brand New Book ***** Print on Demand *****.Excerpt from Servants of the Guns As the long troop train rumbled slowly over the water-logged wastes of Flanders, I sat in the corner of a carriage which was littered with all the debris of a twenty-four hour journey and watched the fiery winter s sun set gorgeously. It was Christmas evening. Inevitably my mind went back to that other journey of sixteen months ago when we set forth so proudly, so exultantly to face the test of war. But how different, how utterly different is everything now! Last time, with the sun shining brilliantly from a cloudless sky and the French sentries along the line waving enthusiastically, we passed cheerfully through the pleasant land of France towards our destination on the frontier.
