Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I looked about and decided to open a window. Couldn't be hotter outside than it was in here. There was a ledge outside. If I sat on it, I could read, or let myself fall over. Great, someone in the next room had the same idea. He lay there, naked but for the small shorts. I wondered if he was alone too, and hurt, and aching. Peachy Chin writes from top, bottom, and versatile points of view, and what views they are! This is a woman, who composes the sexiest and most erotic stories about men. She has the uncanny knack of feeling characters, telling stories through her mind's eye. The reader experiences the touches, moods, needs, and the carnal acts of men who are in search of sexual indulgences.
