Never wanted see the eerie glow of the Powerpods. Never wanted to visit Circum Terra. Never had any interest in finding out the truth about the DarkShips. You always get what you don t ask for. Which must have been why she woke up in the dark of shipnight, within the greater night of space in her father s space cruiser, knowing that there was a stranger in her room. In a short time, after taking out the stranger--who turned out to be one of her father s bodyguards up to no good, she was hurtling away from the ship in a lifeboat to get help. But what she got instead would be the adventure of a lifetime--if she managed to survive.
