WestBow Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Been there? You have forty-five minutes until the doctor appointment. Plenty of time. But then your mother decides she should clean out her purse and possibly use a different one. As you are going out the front door, she thinks maybe she should go to the bathroom one more time. If you have been there, you will know that you need more than patience. You need to know that God is involved. These stories are real. Bethany Uhl s insight is that God is close and his Word is important for caregivers. These devotions build on actual events and reflect the insights and encouragements the Word of God gives. She has cared for parents and loved ones through crises and everyday experiences, frustrations, and joys. But more important, her stories reveal how much God was involved in helping and clarifying what she did. This book shares experiences and reflections of the ups and downs of caregiving and relates them to the Word and Spirit of God. These devotions are easy to read. They come from real people and offer practical advice from a biblical point of view. Each entry includes the full biblical texts as well as a prayer for the day. Your story is real too. When you face the challenges of being a loving caregiver, you will find your experience reflected in the many people Bethany writes about.
