What that man took from me I could never get back. It dont matter how famous I become, how much money I make, or how many people love me. He stole my life, my laughter, my childhood, my peace of mind, my trust, my sleep, He stole my virginitv. I know that it is hard to talk about being raped and abused, but I have to let all that is negativity go. Holding pain in only affects me. I have just recently become comfortable with talking about it because I want to begin the healing process and start a new outlook on my life. I was broken for many years and I was ashamed. I was ashamed that an adult man had touched me in ways that wasnt appropriate. As a child before the assault, all I worried about was playing with my Barbies and going outside with friends. That all changed the day he touched my vagina. please take the time to leave a review! Thank You in advance Instagram: laquanasworld www. amazon. comauthorlaquanasheart www....
