Liferich, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book should provoke thought about how you and those you care about would survive a worldwide catastrophic power failure driven by the likelihood of a powerful mega solar flare that will crash all electronics, which operate and sustain everything we need to stay alive on this planet. Imagine no food, water, communications, or many other things we need and take for granted. Consider what effect we suffer now during storms where we lose power for just hours or days. Losing it for decades would eliminate most of the planet's population in the first few months.
