

Creating a College Culture for Latino Students: Successful Programs, Practices, and Strategies

By Concha Delgado Gaitan

SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Creating a College Culture for Latino Students: Successful Programs, Practices, and Strategies, Concha Delgado Gaitan, The mission statement of the Common Core State Standards couldn't be any clearer in describing expectations for the education of our nation's youth. The standards are designed to be robust and relevant to the real world, reflecting the knowledge and skills that our young people need for success in college and careers. With American students fully prepared for the future, our communities will be best positioned to compete successfully in the global economy. In the 21st century, a high school diploma without further education provides limited options for young adults: high school graduates currently have an unemployment rate of 32 per cent; approximately twice that of college graduates. According to research conducted by the Pew Hispanic Center, despite recent increases in college attendance rates for Latino students (in 2010, approximately 32 per cent of total college enrollments in two and four schools), their numbers are low in comparison to Whites (43 per cent), Asians (62 per cent), and Blacks (38 per cent). Not surprisingly, the rates are much lower for children born into households in which parents...
