Reviews

*A very amazing ebook with lucid and perfect answers. it was actually writtern quite flawlessly and useful. Its been written in an exceedingly basic way and it is simply right after i finished reading this publication in which basically changed me, change the way i really believe.
(Garett Stanton)*

EXPLORING STRATEGIC CHANGE 4TH EDN (PAPERBACK)

Pearson Education Limited, United Kingdom, 2016. Paperback. Condition: New. 4th edition. Language: English . Brand New Book. Exploring Strategic Change is by far the most useful and relevant book available on the vital topic of change management. Written in an accessible style yet drawing on solid theoretical foundations, this latest edition includes up-to-date case examples and new insights in topical areas such as employee engagement. I would thoroughly recommend this book to anyone who wants to know more about the realities of managing change. Professor Katie Bailey (nee Truss), University of Sussex It s wonderful to have a new edition of this definitive text on strategic change. Refreshed with new examples and contemporary concepts, this classic continues as the most complete and accessible resource in its domain. Richard Whittington, Professor of Strategic Management, University of Oxford Exploring Strategic Change engages with the dynamic and complex process of developing and delivering strategic and organisational change, from the analysis of context through to the formulation and implementation of effective strategies and solutions. Change management has become a highly sought after managerial competence for senior executives and middle managers. This book is written to help both students and practising managers develop skills relevant to change management, with the focus on enabling executives to implement their strategic agenda through attention to the practice of strategic change. Using the unique and innovative framework of the change kaleidoscope, the reader will not only develop valuable insights into the practice of managing strategic change, but will also learn to appreciate the need for change approaches tailored to context. Frequent examples encourage both critical reflection and application of theory. A focus on the delivery of change, as well as its design, enables students to supplement their skills in analysis with judgement, translation and implementation skills. This fourth edition...
