Travis shares how he learned to love his autism and himself during this amazing story of how a man received several medical diagnosis as he struggled to accept and love himself. He shares that learning to love himself might have been the greatest disability that he faced. Loving ourselves takes time and patience and that is something Travis does not have. Will he fall in love with himself again? In this story you will find out if Travis is able to fall in love with himself again like he did as a child. He will take you through the ups and downs of Autism, Schizophrenia, and Hydrocephalus to show you how he overcame blaming Autism for all of his problems. It is helpful to have a complete full picture of your medical issues when judging what is causing you to experience what symptom. Travis shares how a lot of what he thought was Autism acting up was really Schizophrenia and Hydrocephalus working together to make him miserable. Travis uses Cognitive Behavior Therapy with the help of his new counselor to form more positive thoughts about himself and his autism. Letting go of something is a hard thing for someone with a mental illness to do. Travis takes you through his battle with his greatest enemy which is himself in this amazing book on what life with Autism, Schizophrenia, and Hydrocephalus is like for him. This is a highly educational read that is sure to help teachers, professionals, and parents understand Autism, Schizophrenia, and Hydrocephalus a little better.
