RETRIEVAL OF IMAGES FROM DATABASE BASED ON CONTENTS

Retrieval of Images From
Database Based on
Contents

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Advancement in Technology has encouraged the use of large image databases to serve the needs from Social, Architectural, Industrial and Medical application areas. To fulfil the requirements in all these fields a important branch of image processing is originated called Content Based image retrieval. This book contributes in the same field by exploring, experimenting and presenting the effective use of the novel ideas from frequency domain and spatial domain image processing techniques....

Reviews

The very best book i actually study. It is actually writter in easy terms and never hard to understand. Your daily life period will probably be enhance when you total looking over this publication.

-- **Edna Rolfson**

Basically no terms to explain. I have read and so i am certain that i will gonna go through once again once more in the future. I realized this ebook from my dad and i encouraged this book to discover.
