Reviews

This published book is wonderful. It is one of the most incredible book we have go through. I realized this pdf from my i and dad advised this book to learn.

(Felicia Heidenreich)

WHERE YOU ARE (PAPERBACK)

Kensington Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Robert Westfall's life is falling apart--everywhere but in math class. That's the one place where problems always have a solution. But in the world beyond high school, his father is terminally ill, his mother is squabbling with his interfering aunts, his boyfriend is unsupportive, and the career path that's been planned for him feels less appealing by the day. Robert's math teacher, Andrew McNelin, watches his best student floundering, concerned but wary of crossing the line between professional and personal. Gradually, Andrew becomes Robert's friend, then his confidante. As the year progresses, their relationship--in school and out of it--deepens and changes. And as hard as he tries to resist, Andrew knows that he and Robert are edging into territory that holds incalculable risks for both of them. J.H. Trumble, author of the acclaimed *Don't Let Me Go*, explores a controversial subject with extraordinary sensitivity and grace, creating a deeply human and honest story of love, longing, and unexpected connection. *Praise For Don't Let Me Go* A sexy, vibrant, and heartfelt debut. --Martin Wilson, award-winning author of *What They Always Tell Us* Deeply moving. . .will be appreciated by adults and teens alike. --Publishers Weekly, starred review A charming story. Trumble's love for the characters is evident on every page, and it's contagious. --Robin Reardon, author of *A Secret Edge*.
