Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The live markets are an intimidating and brutal place for someone who starts off with the wrong information. They can be a mysterious, murky, and complicated place for the ill advised. By following the advice in this book and keeping it simple and taking very slow and absorbing every detail you can have the best chance for a high probability outcome as a successful market participant. Make no mistake the market can make you lose your mind, burn your soul, and help you to lose all your money if you are mentally unprepared and have no plan. This book talks about the psychological aspects of the trading game you need to have mastered before you step into the live market and work with your hard earned real cash. By the time you are done reading this entire book you will know the questions you need to have answered to become consistently profitable. To be successful in today s live markets is a daunting task however it can be done. As a beginning retail trader you need to learn how to have your head in the game and be prepared to work in a very harsh environment against the best market participants in the world. The live market is not a place for the weak minded. You need to be on point and at the top of your game to work in the live market. Learning the right information needed to get started is one of the most critical steps to be a successful market participant over the long term. No one wants to study a lot of information only to find out sometime later that all they needed to know...
